Mothers Day, Sunday March 14th 2021

We know that this year is a bit strange and that we are all finding ourselves having to stay at home but that does not mean that we still can't show our mothers that we love them.

At the Bell we have a family style roast lunch all ready to collect on the Sunday lunchtime, hot and ready to eat. Simply choose one meat course and one dessert for the whole table and let us know what time you would like to collect on the Sunday lunchtime.
